How to fill out the Sponsored account form:

Part 1: Sponsor's information

The form's "Part 1" is automatically filled out with the information for the user who has logged into the system.

In the screen capture of the blank form, the items framed in blue have been highlighted as the part of the form where the Sponsor's information should be included. For example, if you would like you Administrative Assistant to fill out the form, they can change the client for the Sponsor to you but fill out the form on your behalf.

Part 2: Guest's Information:

In the screen capture of the blank form, the items framed in green have been highlighted as the part of the form where the Guest's details and needs are
