

Telephone, Network and Wireless

I cannot connect to AirYorkPLUS on my Windows Device

First, try these general troubleshooting steps found at the link below:

<https://ithelp.glendon.yorku.ca/faq/index.php?action=artikel&cat=26&id=79&artlang=en&highlight=airyorkplus>

I've checked and my account works but I still can't connect on my Windows Device

Potential Problem: I was connected just fine recently but now I can't connect. / I changed my password recently and now I can't get internet on AirYorkPLUS

1. Answer: Try resetting your connection on AirYorkPLUS by deleting and re-adding the network.
 - i. To forget the network follow these steps:
 - i. Open your Start Menu
 - ii. Go to Settings, then Network and Internet
 - iii. Click Wi-Fi in the left sidebar
 - iv. Click "Manage known networks"
 - v. Select "AirYorkPLUS"
 - vi. Click "Forget"
 - vii. Exit settings
 - ii. Re-select AirYorkPLUS from the available Wi-Fi Networks and use your Passport York credentials to reconnect.

Potential Problem: I tried deleting and re-adding the network but it still won't let me connect

1. Answer: Try deleting the network and re-installing the AirYorkPLUS Setup application before reconnecting
 1. To forget the network follow these steps:
 - i. Open your Start Menu
 - ii. Go to Settings, then Network and Internet
 - iii. Click Wi-Fi in the left sidebar
 - iv. Click "Manage known networks"
 - v. Select "AirYorkPLUS"
 - vi. Click "Forget"
 - vii. Exit settings
 2. Download and re-install the AirYorkPLUS setup client from Computing's website to ensure your wi-fi card is properly configured:

<http://student.computing.yorku.ca/airyorkplus/>

Telephone, Network and Wireless

3. This may give a pop-up in the bottom-right corner of your screen that says:
"Password required for AirYorkPLUS, Connect?"
 1. Click on the pop-up and when presented with the windows security credentials screen, enter your Passport York credentials to connect to the network.
 2. If this pop-up does not appear or if you don't click it in time, continue to the next step.
4. Click the Wi-Fi icon and select "AirYorkPLUS" then enter your Passport York Credentials.
5. You will likely receive a message saying:
"Continue Connecting? If you expect to find AirYorkPLUS in this location, go ahead and connect. Otherwise, it may be a different network with the same name."
 1. Click "Connect"

If you are still unable to connect, fill out the AirYorkPLUS problem report form found at the following link:
