## **Transfer Verified**

## How do I log into a placement/assessment test?

Please look over the email that the issuing department sent regarding the placement/assessment test. In it you will find a username and password. Then:

- Go to <u>https://sts.glendon.yorku.ca</u>.
- Click on Log me in with another account.
- Enter the credentials found within the email.

If you have created a Passport York account since receiving an email from the issuing department containing a username and password, please:

- Go to <u>https://sts.glendon.yorku.ca</u>.
- Click on **Passport York**.
- Enter your Passport York login credentials.
