Computers, Servers, and Printing

My computer is too slow. Can it be made faster?

To help us determine the cause, please write an email to ithelp@glendon.yorku.ca including the following:

- This QR code will help you find the computer's service tag:
-
- Or by following this link: https://ithelp.glendon.yorku.ca/faq/index.php?action=artikel&cat=8&id=43&artlang=en) and model number, if possible.
-
- The room number and location of the computer, if it is a stationary machine.
- The owner of the computer, if it is a portable machine.
- Any relevant error codes, beeps, or flashing LED displays/power button patterns.
