Computers, Servers, and Printing

I would like to dispose of old equipment. How do I do this?

Equipment originally purchased by University funds or belonging to Glendon ITS can be disposed of by Glendon ITS. To request for ITS to dispose of old computing equipment please send an email to ithelp@glendon.yorku.ca with the following information:

- Type of equipment to be disposed of
- Location of equipment to be picked up
- A contact coordinating the pickup or delivery of old equipment

Personal e-waste, as of writing, can be left at the curb in the city of Toronto. Please visit the link below:
